

# SUNSCREEN DIRECTIONS

*Safe for the whole family. (Kids 6 months and up.)*

**Step 1** ▶ **Make sure your parents have looked at the bottle** and have said it is safe for you to use.

**Step 2** ▶ **Make sure the bottle is closed** then shake it to mix up all of the stuff.

**Stand in place and put sunscreen on your face.**

Put it on your neck and down to your shoulders.

**STOP! Get more sunscreen from your sunscreen holder!**

**Step 3** ▶ **Rub it into your arms and don't forget your tummy!**

Your skin thinks our sunscreen is super yummy!

**STOP! Get more sunscreen!**

**Get your hips, legs and feet.** Put it everywhere! Don't cheat!

**Now you're covered from head to toe!**

**Don't forget to reapply** when your parents tell you so!
